TOO MANY KEYS?

Provide your own hardware so you can open your entry and security doors with the same key.

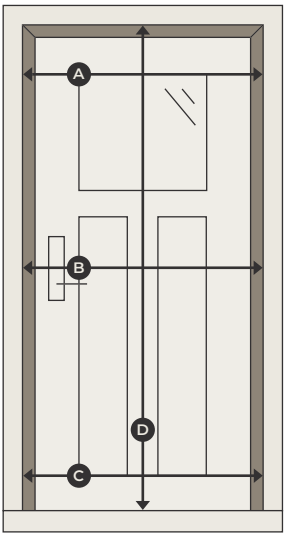

Select standard entry door hardware with a 2-3/8" backset and a 2-1/8" hole diameter.

[1]Custom doors have extended, variable lead times. Once placed, custom orders cannot be canceled.
[2]Custom Guardsman doors are pre-hinged. Select left- or right-hinge as viewed from outside when ordering.
Note: Larson reserves the right to alter or discontinue any model, specification, warranty or price without notice. Product finish colors are approximate; actual finish colors may vary. See your Larson seller or visit larsondoors.com for details on limited warranties and exclusions.

Easy Measuring

Use the diagram below to record your measurements as shown. If the width measurements vary, use the smallest measurement. Remember, Larson offers custom sizes to fit a wide range of openings.

RECORD MEASUREMENTS

A	Width
B	Width
C	Width
D	Height

Platinum Collection

The rails mount directly to the face of the exterior brickmold and require a 3/4" wide mounting surface.

Guardsman Collection

The rails mount inside the opening and require a 1" wide by 1" deep mounting surface.
