
LARSON
STORM DOORS
MANIFEST YOUR OUTER HOME

Refreshing the indoors starts with the outdoors.

For more than 70 years, homeowners have turned to Larson to protect and enjoy their homes with our high-quality, high-performance home solutions.

Create Your Perfect Entryway

Find the storm or screen door that matches your lifestyle. Whether you want extra protection for your home, more fresh air and natural light, or freedom for your pet, Larson has the right door for you.

VENT OPTIONS

Retractable
Built-in screen offers fresh air or clear views at your fingertips.

Interchangeable
Included screen opens your home to the best of each season.

Standard Venting
Built-in screen stays in the window for convenient ventilation.

VIEW OPTIONS

Maximum View
Our largest window opening for maximum natural light.

Fullview
The full door is a window with only a frame surrounding it.

Midview
Most of the door is a window with a small panel at the bottom.

Highview
The door is half window, half panel for extra privacy.

PET OPTIONS

Pet Door
Pre-installed pet door lets your pet come and go as they please.

CLOSER OPTIONS

Hidden Push-to-Hold
Hold the door in place with just an extra push with the hidden push-to-hold closer.

SureLatch Step-to-Hold
Listen for the click as SureLatch™ magnetic technology helps your door close with a smooth, confident latch for years to come.

Step-to-Hold
Reliable closure and hands-free movement through the entry with a tap on the step-to-hold closer.

Standard
Controlled door swing and close assist for reliable operation.

Upgrade Your Glass

NEAT+™ GLASS

NEAT

Energy-efficient Neat+ glass helps keep glass clear and free of watermarks, reducing the need for cleaning.

LOW-E GLASS

LOW E

Low-E glass can increase your entry's insulating value by 24%.[2]

Installation / Hinging Options

PLATINUM PRE-HUNG DOOR

Pre-assembled for easy surface mount installation. Select **L** (left-hinge) or **R** (right-hinge) as viewed from outside.

UNIVERSAL HINGING

Easy installation with pre-drilled placement holes and no-cut rails with adjustable extenders for an exact fit.

[1]Preparation time not included. Based on typical installation. Actual times may vary.
[2]Compared to clear glass. Based on simulation of clear and Low-E glass in fullview storm door over entry with 1-3/4" foam-insulated, stamped raised panels.

Platinum Collection

Experience a truly premium entryway with the advanced features and sleek, modern design of the Platinum Collection.

EXCLUSIVE PLATINUM COLLECTION FEATURES

- **10-minute install**[1] with no experience or special tools required.
- **Hidden push-to-hold closer** holds the door in place with an extra push.
- **Premium aluminum frame** and 3X the weatherstrip seal for ultimate weather protection.
- **Multi-point locking system** secures the door at three critical points.

LIFETIME
LIMITED WARRANTY

[1]Preparation time not included. Based on typical installation. Actual times may vary.

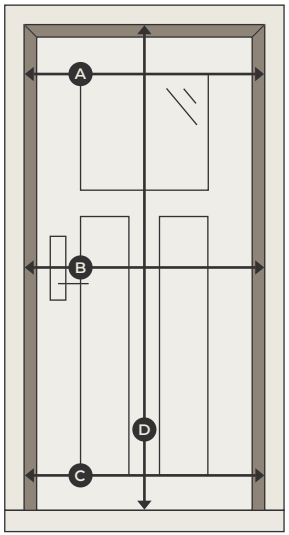
Easy Measuring

One great feature of Larson® storm doors is that they can be easily installed by homeowners, saving on the cost of professional installation. Use the diagram below to record your measurements as shown. If the width measurements vary, use the smallest measurement.

Remember, Larson offers custom sizes to fit a wide range of openings.



RECORD MEASUREMENTS

A	Width
B	Width
C	Width
D	Height

Door Opening	Min. Width	Max. Width	Min. Height	Max. Height
30" x 81"	29-7/8"	30-3/8"	80"	81"
32" x 81"	31-7/8"	32-3/8"		
34" x 81"	33-7/8"	34-3/8"		
36" x 81"	35-7/8"	36-3/8"		

Note: Size availability varies by model. Custom sizes available in select models.[1]

Platinum Storm & Security Doors
