
LARSON
SCREEN PRODUCTS
MANIFEST YOUR OUTER HOME

Screens for your whole home.

Larson® screen products are designed to fit most existing door or window applications for the patio, lanai, garage, gazebo and front door. In addition to providing instant ventilation, retractable screens offer protection from airborne pests and harsh UV rays.

RETRACTABLE SCREEN BENEFITS

Choose from a complete line of screens which includes options for single door openings as well as large openings up to 26'3" wide. Available in trending colors and styles to complement your home.

- Protection from airborne, biting pests.
- Easy to install and operate.
- Supports fresh, natural ventilation.

Note: See your Larson seller or visit larsondoors.com for details on available product sizes and options. Product finish colors are approximate; actual finish colors may vary. This is a motorized screen, which requires a separate power source to operate. The screen will not move up or down without power. We recommend that you purchase a backup power supply. Windy conditions may affect the performance of the screen. Retract the screen in windy circumstances, during inclement weather and when not needed to support immediate ventilation or prolonged periods of time when not used. Not intended to keep pets or children inside. This product contains one or more devices that comply with UL standards for electrical safety and with part 15 of FCC Rules for radio frequency devices.
